

## Prior Approval Required for Septoplasty Services Beginning September 12, 2016

Medical Mutual is adopting a modified version of InterQual® procedures for septoplasty medical necessity guidelines. Effective September 12, 2016, we will require prior approval for septoplasty services.

For more details about the prior approval process, visit [Provider.MedMutual.com](http://Provider.MedMutual.com) and select Tools & Resources, Care Management, [Prior Approval & Investigational Services Resources](#).
